

Harold P. Alley Award (1924-1991)

This award was initiated by the Wyoming Weed and Pest Council in 1984 in honor of Dr. Harold P. Alley, Weed Scientist, University of Wyoming, 1955-1984. This award is given in honor of this great scientist to an individual who has provided support, leadership, motivation and education toward the advancement of weed and pest control programs in Wyoming.

Dr. Alley went above and beyond these qualifications.

Recipient Criteria:

1. The recipient should be one that has demonstrated and promoted an awareness of noxious weed and pest control practices in the State of Wyoming.
2. They should have had an influence on those in their respective area and have had associations outside of their county. An example of this association can be in the form of positions held in the Wyoming Weed and Pest Council or with the University.
3. A candidate can be anyone who meets the criteria established (i.e. board members, supervisors, chemical industry, or university people.)
4. A person's length of time or their association to the Council might not be always be a factor, as a candidate may have been very active in weed control, but only have had a short time in the association.

Selection Committee

1. The award selection committee shall be one representative from each of the six District areas and a representative of the Executive Board. The selection committee shall be named by the Council President.
2. Be sure to notify the District and/or person so they are present to accept the award.

Nominations:

1. Nominations will come from a District.
2. Limit one nomination per District.
3. Secretary should have all nominations 40 days before the annual conference.

4. The selection process shall be completed 20 days prior to the annual conference so that the award can be ordered in time for the conference.

5.

Plaque or award inscription:

*An award to recognize the outstanding contribution of _____
toward advancement of weed and pest control programs in Wyoming.*
